SUPPLEMENTAL DECLARATION OF ROGER JELLCOE UNDER 37 C.F.R. 1.131

1. This Declaration supplements the Declaration, signed by me on July 25, 2005 and submitted to the USPTO on July 26, 2005, regarding the above-referenced application.
2. As stated in my earlier Declaration, the claimed invention of the above-referenced application was conceived no later than December 3, 2002, by which time I constructed a mechanical model of the embodiment of the invention shown in Figs. 1-3 of the above-referenced patent application. Digital images of the mechanical model are attached as pages 5-6 of Exhibit B to this Declaration.
3. I prepared and submitted an invention disclosure Motorola Inc.'s patent review committee to be considered for filing as a U.S. utility patent application. The disclosure, titled "New Style Mobile Phone having Two Keypads," (hereinafter Invention Disclosure) was prepared and submitted to Motorola prior to May 23, 2003.
4. A copy of the Invention Disclosure is attached as Exhibit B, in which confidential and proprietary information has been redacted. Exhibit B is a true and accurate copy of the Invention Disclosure that I submitted to Motorola for this invention.

5. The "Submitted Date" (Exhibit B, page 1) of the Invention Disclosure, which has been redacted, is prior to May 23, 2003.
6. The description of the invention (Exhibit B, page 4) was created and the photographs of the prototype of the invention (Exhibit B, pages 5-6) were taken prior to submission of the Invention Disclosure.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
